

DAROTopp® Synthetic Topping Projects

www.trancels.com

Custom Boathouse - Kawarathas, ON

Project Highlights

→ Radiant floor application on newly constructed custom boathouse in remote area

→ **DAROTopp®** installed on main floor level in area of approx 1700 ft.²

→ **DAROTopp®** selected based on overall **performance**; completely level/smooth surface with no control joints or sawcuts; **energy savings** due to **high conductivity** of topping and long-term **guarantee of no cracks**. The **non-organic** and **synthetic** properties of the topping **eliminate** the possibility of **mold** growth due to moisture.

Custom boathouse near Lakefield, July 2007
