

## DAROTopp® Synthetic Topping Projects

www.trancels.com

“LEED” residence - Toronto, ON

### Project Highlights

→ Radiant floor application on main floor and basement in LEED certified home.

→ **DAROTopp®** installed 45mm total of grey colored topping - app 2000 ft<sup>2</sup>

→ **DAROTopp®** selected based on overall **performance**; completely level/smooth surface with no control joints or sawcuts; **energy savings** due to **high conductivity** of topping and long-term **guarantee of no cracks**. Edging strips prevent moisture from topping from wicking into drywall or wood.

### Mason residence, Toronto Nov 2007

- **DAROTopp®** installed 45mm total on **radiant floors** - R10 insulation in basement/1” acoustic insulation on main
